The Little: An Age Play Romance

Synopsis

When inexperienced Ella Stirling is caught in the act of theft by the dominant Anderson Price, he offers her a simple choice. She can admit her guilt and take her chances with the law or submit to him for a period of one week and then return home with all sins forgiven. Not wanting to risk the shame of arrest, Ella chooses to submit. Taken to the Little Academy to learn the skills of submission, she enters a world of harsh discipline and humiliation, a place where all the rules of civilised society are forgotten in the pursuit of pleasure. Finding herself drawn ever deeper into the seductive life of a little, Ella must make a decision when her time at the Academy comes to an abrupt end. Will she forget all she has learned and return to her ordinary life or accept who she truly is and embrace the submissive life of a little? This is a historical age play with dominance and humiliation elements. If you enjoy Victorian romance, you'll love following Ella on her journey to becoming The Little.

Customer Reviews

I've just finished reading this book. I meant to dip into it on my breaks at work but I had to take it home and finish it after getting told off for forgetting the time and being late back from lunch!! I'm not going to give anything away and spoil it, and I know I'm just a stranger from the Internet, but I never

bother reviewing a book- I just tell a few friends how good it is. But here I am, reviewing it so total strangers know they should read it. Just make sure you've nothing else to do for a while, because you're not going to be interested in anything else! I'm on Lucy's mailing list and I'm now working my way through her other works when I'm supposed to be cleaning (thank you Miss Wild, such a wonderful distraction)! Anyway, stop reading this review and read *The Little* instead!

As a historical buff and an erotic romance fan, this book had a lot more than a "Little" to live up to for me to keep reading. Luckily, Lucy Wild knows how to paint vivid pictures in our minds, transporting us to a bygone era where manners and punishment are intertwined. I was literally sweating from reading some of the scenes in this book (and I live in Denver), and that was due to the drama AND the erotic scenes. This is simply a timeless story that will keep you very interested, especially if you are a history buff like me. Highly recommended!!!

Loved it loved everything the bonus stories are awesome love love love omg! L O V E AHHH! Haha! Thank you!

I'm enjoying working my way through Miss Wild's catalogue of books, this one's another great age play romance set in Victorian times with a nice stern hero who got my heart racing!

A bit painful to read.
