# Honeycomb Poems

## **Synopsis**

In this second collection of poetry, Kozumplik enters the maze. It is the sticky hive of life, sometimes bittersweet sometimes rapturous. These new poems are the sweet sting, the dance of the seasons. This is the tickle of tears, happy and sad. This is the apple to be bitten. This is the sex of flowers. Excerpts: "...let's climb onto the roof and steal stars above the orchard we'll peel them into poetry and measure this night with the length of our smiles" ...this swift shadow dream keeps time with a moth's wing' djiinnihunter.weebly.com

## **Customer Reviews**

It is often the busy buzz of life which delivers one to the desire for poetry, and this volume is a slow therapeutic breath, a reminder to slow down and enjoy life in all its simple forms, the many gifts open to each of us would we simply open our eyes to them. Blissful, endearing, punchy and fun, Honeycomb Poems is healing.

This poetry has a wonderful sense of place - very evocative. Sussex Safari in particular made me feel quite homesick (I'm from the south of England)!

Another collection of Kozumplik poems perfectly slows you down to consider the aspects of life we

should all spend more time thinking about.

This is the great book especially when you read it under the sun with a cup of honey green tea.
