The Complete Stephen King Universe: A Guide To The Worlds Of Stephen King

Synopsis

The myriad worlds and universes King has created are, in reality, one world, one universe. Here is the guide to that universe. The Complete Stephen King Universe is the only definitive reference work that examines all of Stephen King's novels, short stories, motion pictures, miniseries, and teleplays, and deciphers the threads that exist in all of his work. This ultimate resource includes in-depth story analyses, character breakdowns, little-known facts, and startling revelations on how the plots, themes, characters, and conflicts intertwine. After discovering The Complete Stephen King Universe, you will never read Stephen King the same way again.

Customer Reviews

A little background info for those of you who have happened upon this offering. THE COMPLETE STEPHEN KING UNIVERSE is an updated version of THE STEPHEN KING UNIVERSE, which was published in May 2001. The CSKU features nine new chapters, which cover King's work from approximately early 2000 through mid 2005. The CSKU discusses all of King's work through that period, including books like DREAMCATCHER, FROM A BUICK 8, the final three installments of the Dark Tower series, and television series such as Rose Red and Kingdom Hospital. Basically, it covers all of King's work through the present day, with the exception of books like THE COLORADO KID, CELL, and the upcoming LISEY'S STORY, and a few short stories such as "The Things They Left Behind", which appeared in the 2005 anthology TRANSGRESSIONS. Besides the inclusion of

the new chapters, the book's been rearranged and revised in many ways, mostly to correct the factual errors and typos that crept up in the first edition. Hopefully, we caught most of the glitches in the new edition; the publishing gremlins that plague all books are a diligent bunch, however, so I expect folks will find some errors in this version as well. If you should find an error or typo and would like to bring it to my attention, or would just like to discuss the book in general, please feel free to write me at HankW26159@aol.com. In the meantime, I hope you're intrigued enough to purchase the book. Publishers Weekly called the original edition "An indispensable insider's guide to the influences on King, his plots and characters, TV and film adaptations and more..." The Library Journal said that the SKU "...will appeal to serious King fans..."
