Cute rhymes tell the story of the Lil Ren, a responsible mouse and Ben the Cat, a bully who often ridiculed Lil Ren's industriousness and preparedness. But then came the day when Ben's life was saved by the little mouse. Ben recognized then the wisdom in responsible behavior and the value of friendship. Lovely book, educational and entertaining.

THANKS LIL REN COVER: EYE-CATCHING Adorable rhyming story! Kids will love it! Fun and educational read. Great ending. Highly recommended!

My son Likes it, it was easy for my son to understand it and there are some pictures in here that does keep him entertained the story is a bit similar to Noah but told in fables. I do think this deserves a good score because it does make it interesting for kids to read.

Joyce Mitchell has written another wonderful tale with an important lesson for small children. This time, the kindly mouse, Lil Ren, is bullied by nasty Ben the cat. Lil Ren is always kind and polite, asking Ben to leave his cozy little house. But Ben doesn't listen, When a noisy storm comes, Lil Ren makes a plan, while Ben only teases him. Lil Ren works tirelessly to save his friends. In the end, Ben learns an important lesson. The book is written in rhymes, which are fun to read and entertaining. Children, parents and teachers will love the colorful illustrations as well. I've read and reviewed several of Joyce Mitchell's books. If you haven't added them to your library, I encourage you to do so. This book, and the others are adorable. You and your children are sure to love them.
