

The book was found

# Little Cat

## Synopsis

Two novels, two young women at the frontiers of sex. Like a series of Penthouse letters penned by Kathy Acker, *Lie with Me* recounts a woman's sexual escapades, picking up random men in bars for a series of increasingly extreme encounters, hoping to understand love from the far side of sluttiness. In *The Way of the Whore*, Mira, an introverted Jewish girl obsessed with Jean Genet, allows herself to be seduced by the sex industry, determined to find meaning in her tormented relationships with cruel men. Tamara Faith Berger's first two novels have been languishing out of print. They were scandalous when they were first published; substantially revised and returned to print, they're just as titillating and troubling now.

## Book Information

Audible Audio Edition

Listening Length: 8 hours and 18 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Recorded Books

Audible.com Release Date: June 24, 2014

Whispersync for Voice: Ready

Language: English

ASIN: B00L9BPO82

Best Sellers Rank: #52 in Books > Literature & Fiction > World Literature > Canadian #208 in Books > Audible Audiobooks > Fiction & Literature > Literary Collections #488 in Books > Audible Audiobooks > Fiction & Literature > Erotica

## Customer Reviews

The author has some talent but the preponderance of mistakes and misunderstanding is too great for me to ignore. This book is best classified as juvenilia. Where or how it fits into ongoing discussions of feminism, antifeminism, pro porn and antiporn, gender relationships and identity, etc., I leave it to you to decide if you read this book. Should you read this book? I think you can find interest and/or pleasure in reading it, as long as you are aware of a few problems. Despite the number of times these stories have been edited, revised, and published there is at least one area that may harm the innocent or underinformed reader. Safe sex is lifesaving. In several stories, condoms appear and disappear in the same scene progression -- and of course the heroines sometimes scream for the male to achieve orgasm inside the female. The author simply forgets,

through many iterations of publishing, that sex was safe in one paragraph and then unsafe in the next. Second, there are sexual positions or acts that absolutely require artificial lubricant -- no one from porn star to virgin doesn't require lubricant. If, as a few characters do in the stories --and I'm tempted to say all of them, but I may have lost count -- you attempt this act without plenty of lubricant, patience and communication, you will, not might, you WILL cause all sorts of bodily injury. This is a book of fiction. Due to the frequent mistakes and misinformation, I am tempted to say that this is not an autobiographical account in the strictest sense. Do not try the depicted acts at home, not without a lot of supplemental sex education.
