## **Customer Reviews**

Another tender love story by Catherine Bybee, in book 6, of the Weekday Bride Series. (6 out of 7) Combined with excitement, suspense, and undying love, and even though it is a series, each book

can be read as a stand alone.....While working for Alliance, an elite matchmaking firm, Margaret "Meg" Rosenthal, not only heard of an exclusive resort, known as Sapore di Amore in Florida, but it was known that there were no phones or cameras allowed on the Island. Feeling that this resort would be perfect for Alliance, with the need for privacy for potential clients in the future, Meg asked Hollywood heart throb, Michael Wolf to accompany her. Only there was one major flaw to her thinking, when the owner of the resort, known as Valentino "Val" Massini, rejected her reservation. Why? Known to be just as stubborn, Meg made one phone call to a good friend, the governor of California, and within moments, the reservation was a done deal. Val waited impatiently, as the plane landed on his Island, and what's more, he had plenty to say to Miss Margaret Rosenthal, but the minute she disembarked from the plane, he was in awe of her beauty. When Meg left the plane and saw him, her heart nearly stopped, as she looked at the drop-dead gorgeous and sexy man. She must be dreaming? As Meg and Michael handed over their phones and cameras to the mouthwatering owner, it didn't take long for someone to snap pictures of Michael, forcing her to take her temper out on Val. As Val looked into the culprit on his island, he knew this could lead to being the end of something, he worked so hard to achieve.
