The Secret Of The Nagas (The Shiva Trilogy)

Synopsis

At a crucial moment after the cliffhanger ending of book one, The Immortals of Meluha, the warrior-hero Shiva--the man who is the prophesied Neelkanth, or destroyer of evil--is fighting to protect his wife Sati from an invasion by the Nagas, a mysterious militaristic society. Evil forces are growing in strength all around the conflict, and Shiva's own philosopher-guides have betrayed his unquestioning faith by accepting aid from the dark side. Even the idyllic empire of Meluha hides a terrible secret. Accompanied by his troop of warriors, Shiva travels East to the land of Branga in hopes of discovering clues as to the whereabouts of the Naga people. The journey concludes in the Naga capital of Panchavati, where a surprise awaits him that will change the balance of power...

A beautifully written book. I found myself time and again going back to the map. At the end of a flight to Dubai a passenger next to me commented: I've never seen anyone read a book straight thru a flight!! Btw(if it's of any interest) I'm a Moslem.

A gret fable, told in simple words. A light read with deeper meaning. Waiting for 3rd e book on the kindle.

Interesting ,but not as captivating as the first book.still think it was worth every cent.Cant wait for the third book.

Great ideas, lots of opportunities for developing the characters/ plot missed - I will complete the trilogy
