# Pushing His Rival's Buttons (Return Of The Magic Button Part Nine)

## Synopsis

You deserve to make every woman kneel. Nick was on the verge of finally making his harem complete thanks to his ability to see mind-altering buttons on every woman he meets, until his prime girl turned traitor! The sultry, brilliant Maria won't let Nick stop taking control until the world bows to him, and she's given herself his button-pressing powers in order to make it happen! Now Nick's completely at the whim of his former slave - about to be turned into a mindless alpha-male conquest machine when all he wants to do is enjoy his mansion of submissive bimbos! But there's one thing his rival doesn't know: sometimes Nick's buttons do what the user secretly wants instead of what they command: and he's filling Maria's mind with hot fantasies of being dominated by her Master...
