Emer: Clover Springs Mail Order Brides

Synopsis

Life isn't easy for a young woman alone in 19th Century Colorado, but when Emer Matthews needs to escape an untenable situation, she only has herself to depend on. She has no time for men having seen first hand the high price women pay for love, so she seeks solace with the sister she's never met, Sorcha. But when Emer gets to Boston, she discovers her sister has moved to Clover Springs and she's left alone with no money and no means to go back to Colorado. Lawrence Shipley is bored. He's fed up of his match making domineering mother. He wants to gain independence by heading up the Shipley Banking Dynasty in Denver. But his mother has other ideas. She decides to go to Denver too, reluctantly agreeing to take Father Molloy's latest protégé, Emer. Emer is nothing like any woman Lawrence has met. She intrigues him and excites him but it seems she won't have anything to do with him. Can he destroy the wall she's built around her heart? Or will her past catch up with her and destroy them both? Be sure to check out my new release, *Ellen* is now available. amzn.to/2c7dBml

Customer Reviews

Emer has had a rough life. I'm not sure whose life was more difficult - Emer or her sister, Sorcha.

Both are daughters of a fallen woman and both have struggled to grow up without any guidance from a mother or father. While her sister had the grandmother, poor Emer didn't have anyone except a loveless mother and a ruthless gang of outlaws. She's tough and hard on the outside, but soft on the inside as she seeks acceptance from a sister she's never known. Emer is fiercely loyal and protective of her sister - she wants to keep the bad away from Sorcha. I definitely felt for Emer as a reader and wanted to make her hurt and pain go away. Lawrence is stuck between a rock and a hard place. He doesn't want to listen to his parents and go into banking, but he has no choice. He finally finds his backbone along the way as he meets Emer and gets to know her. His family is absolutely atrocious, as those with money can be. There is no consideration for those beneath their stations - they are merely there to serve those above them, even if it costs them their lives. This book made me laugh, made me cry, made me mad and made me dream. I am so glad that Emer arrived victorious over her demons and she and Sorcha found a happily ever after for their families and futures.

Emer Clover Springs Mail Order Brides Book 4 by Rachel Wesson I LOVED this story! I have been blessed to read all the previous books and I think I like this one the best! Poor Emer, she has had such a rough life and yet, she is smart, sweet, strong, and still afraid of her past! Can she find her sister Sorcha and have the family she's always wanted but never knew she had? This is a wonderful tale of survival amongst terrible odds! Lawrence is a rich son, but he is not spoiled! Can he stand up to his super strong willed mother? Can Lawrence put his strong sense of duty aside to do the right thing despite the repercussion? This book is jam packed with hardship and difficult choices that will bring about justice and love that will survive for the long haul! I can't wait for the next book in the series!!

Emer is a very proud and spunky person. She and her sister have had a rough life. The previous reviews and description says it all and I don't need to repeat. I liked this story as it shows the hardships and strength a young woman of those times had to endure to survive. They had to be tough and yet loving at the same time. Living in an orphanage made these girls tough and strong and when they set out west as mail order brides, they were capable of learning a new way of life and how to survive. Lawrence wanted a new way of life also. He was raised to be a banker and his mother didn't want him doing anything else. He needed to see what else was out there and he headed west. Emer and Lawrence had a lot to learn with each other, feelings, trust and love. Great story and can't wait for more!

This book is one of the nicest stories I've read in awhile. There is so much sentiment between many of the characters. Emer has lived a horrific and difficult life. From the days with her Mother, to working in various places to survive and save enough money to head east to find a long lost sister. I loved the way Emer interacted with the wealthy aristocrats in Boston; the way she stuck her tongue out at the butler behind his back only to be seen by Lawrence, the struggling son; the way many of the passages made me smile and continue to get excited by the story. Places in the book were written so well, I had to giggle along with the young girls. This author does a splendid job on this venture and I loved every moment I spent reading about Emer.

This particular author, Rachel Wesson, has come up with another outstanding book in Emer, which is the 4th book in this particular series. Lives ranging from a financially poor and emotionally poor young woman, to a financially rich, but emotionally poor, young man face the reader in this book as this young couple help each other. Two sisters find each other, along with their mother who eventually tells the story of why the two young women were separated, only for Emer to end up looking at being hung for crimes she didn't commit. I fought tears and laughter both throughout this wonderful book. My heart, of course, went out to Emer! She faced so many trials in her young life. Thankfully she had a loving young man who, once overcoming the shock of his beloved's history, was there to support her, and to love her enough to believe her. In addition, the author did a terrific job of uniting multiple couples from the previous books together in this book. This book showed me how life has many ups and downs as well as how perseverance can make humans so much stronger and able to face life's issues. All of the various storylines wrapped together perfectly to make this a thrilling book to read and one I was unable to put down. I HIGHLY recommend this book for all ages as a must read!

Rachel Wesson writes with a common thread of family and belonging. Real characters that readers fall in love with and enjoy seeing again and again. Emer is rich in suspense and love and family. This little town has lots of secrets and I for one enjoy finding them out.
