Customer Reviews

"I'm still waiting to wake up from the dream where I find out you aren't real, that none of this is real.""You're awake, babe. We both are and we're gonna live out these dreams together.""This novella starts right where Room for More left off and gets us right back into their story. Kacie and Brody are now engaged and thus begins the mayhem that comes from wedding planning and
combining lives. I cannot get enough of these characters. I adore Brody and Kacie. They have come so far and are such a connected, loving, and sweet couple. I love the twinkies, Lucy and Piper, Kacie’s twin daughters that Brody has claimed as his own. They never fail to put a smile on my face. And his outspoken team mate, Viper totally cracks me up. Adding more support and humor are her besties Alexa and Lauren, his more straight-laced agent, Andy, and both of their families. And I can’t help it but at this point I even love Kacie’s ex Zach. I enjoy all of the camaraderie with their friends and families. I always just get sucked into the world surrounding Cranberry inn. And I swear I fall in love with Brody more every time.

Brody is the ultimate in sweet, hot, generous, thoughtful, swoony book boyfriends and step-in Dads. His relationship with the twinkies is the most adorable thing. My heart melts every time he is with them and some of his gestures just bring tears to my eyes. Kacie has come a long way and grown in security and confidence. She is even shaking things up a bit. They are finally able to see how wonderful their lives can be, but of course sometimes insecurities or outside influences sneak in at times causing a bit of stress.
